

Who needs this User Guide?

Customers who will use LOGIX e-mail services and currently have a unique Internet domain name.

Why this User Guide?

This is a simple step-by-step guide accessing your web enabled email account from any where in the world.

The screenshot shows a Microsoft Internet Explorer browser window displaying the LOGIX Webmail login page. The address bar shows the URL <http://webmail.logixonline.com/src/login.php>. The page header includes the LOGIX logo and the word "Webmail". Below the header, there are two input fields: "Please enter your user name:" and "Please enter your password:". A "Continue" button is located below the password field. To the right of the input fields, there is a welcome message and a link to the technical assistance center.

Step 1
Access the Internet and go to <http://mail.logixonline.com>

Step 2
Enter your user name

Step 3
Enter your password

Step 4
Click Login and you have access to your personal Inbox.
